On September 10, 2007, amendments to National Instrument 55-101 *Insider Reporting Exemptions* (the rule) came into force.

The purpose of the rule is to provide exemptions to insiders of public companies from the obligation to file insider reports where the policy reasons for such reporting do not apply. The purpose of the amendments is to increase the availability of certain exemptions and to reduce market participants' compliance costs by eliminating certain record-keeping requirements.

The full text of the amendments is available in the Ontario Securities Commission Bulletin at (2007) 30 OSCB 7711 and on the Commission's website at http://www.osc.gov.on.ca/Regulation/Rulemaking/Current/Part5/rule_20070907_55-101_insider-reporting.jsp.

(2) For the purposes of clause (1) (b), the percentage change in the average rent for rental units is determined using the following formula, rounded to the first decimal point:

$$(R/S - 1) \times 100$$

in which,

"R" is the number indicated in the most recently published October edition of the Rental Market Report, published by the Canada Mortgage and Housing Corporation, as the "Total" average rent for a "Private Apartment" or "Private Row (Townhouse)", as the case may be, and for a census metropolitan area centre, census agglomeration centre or a zone, as the case may be, and

"S" is the number indicated in the report published the year before the report referred to in "R" that corresponds to the number determined under "R".

(3) If the Rental Market Report does not provide data required for the calculation of "R" or "S", then "R" or "S", as the case may be, is equal to the number indicated in the Rental Market Report as the "Total" average rent for the census metropolitan area centre or census agglomeration centre, as the case may be, or, if that data is not available, for Ontario.

(4) Despite subsection (1), the Minister may, after consultation with the service manager for the service area, adjust the percentage change determined under clause (1) (b) for a housing project, a census metropolitan area centre, census agglomeration centre or a zone.

Rent-geared-to-income subsidy

33.8 For the purposes of clause (a) of the definition of “F” in the formula for calculating a housing provider’s rent-geared-to-income subsidy set out in subsection 103 (6) of the Act, the total amount of a housing provider’s indexed market rents for a fiscal year from rent-geared-to-income units in its housing projects in the service area is not the amount determined using the rules in subsection 103 (7) of the Act, but using the following rules:

1. For the first fiscal year for which the housing provider receives a subsidy under the Act, the total amount of its indexed market rents is the total amount of the provider’s benchmark market rents for those units as determined by the Minister under section 104 of the Act.
2. For each subsequent fiscal year, the total amount of the provider’s indexed market rents is the amount determined by,
 - i. expressing as a decimal number the market rent index applicable in the fiscal year to the provider’s housing projects in the service area, as determined under subsection 33.7 (1),
 - ii. adding one to the number determined under subparagraph i, and
 - iii. multiplying the number determined under subparagraph ii by the total amount of the provider’s indexed market rents for the previous fiscal year.

Mandatory payment

33.9 For the purpose of the definition of “D” in the formula set out in subsection 103 (2) of the Act, the amount of the housing provider’s mandatory payment for the fiscal year in respect of its housing projects in the service area is not the amount determined under subsection 103 (8) of the Act, but is zero.

Surplus

33.10 (1) For the purpose of the definition of “E” in the formula set out in subsection 103 (2) of the Act, the amount, if any, of the housing provider’s surplus for a fiscal year in respect of its housing projects in the service area is not the amount determined under subsection 103 (10) of the Act, but is the amount determined using the formula,

$$L - M$$

in which,

“L” is the amount of the provider’s net operating income for the fiscal year as set out in the annual report required under subsection 113 (1) of the Act relating to that fiscal year, and

“M” is the amount of the provider’s operating reserve.

(2) For the purposes of the definition of “L” in subsection (1), the net operating income of a housing provider for a fiscal year with respect to its housing projects in the service area is the amount by which its revenue for the fiscal year from those projects, as determined in the manner set out under section 30, exceeds its operating costs for the fiscal year with respect to those projects, as determined in the manner set out under section 30.

(3) For the purposes of the definition of “M” in subsection (1), the amount of a housing provider’s operating reserve, if any, in respect of its housing projects in the service area for a fiscal year ending after the transfer date is the amount determined under the following rules:

1. If the housing provider’s accumulated surplus in respect of the service area at the beginning of the fiscal year or at the beginning of any previous fiscal year that ends after the transfer date, as set out in its annual report for that fiscal year under section 113 of the Act, is equal to or greater than the product of \$300 multiplied by the number of the housing provider’s units in housing projects in the service area at the beginning of that fiscal year, the housing provider’s operating reserve for the fiscal year is nil.
2. If the amount determined in respect of the housing provider for the fiscal year under subsection (4) is nil or a negative amount, the housing provider’s operating reserve for the fiscal year in respect of those housing projects is,

$$N - P$$

where,

“N” is the product of \$300 multiplied by the average number of the housing provider’s units in the service area in the fiscal year, and

“P” is the housing provider’s accumulated surplus for its housing projects in the service area at the beginning of the fiscal year.

3. If neither paragraph 1 nor 2 applies for the fiscal year, the housing provider’s operating reserve for the fiscal year in respect of those projects is the housing provider’s net operating income for the fiscal year from those housing projects.

(4) For the purposes of paragraph 2 of subsection (3), the amount determined under this subsection is the amount determined using the formula,

$$N - (P + Q)$$

in which,

“N” and “P” have the same meaning as in the formula in paragraph 2 of subsection (3), and

“Q” is the amount that would be determined under paragraph 3 of subsection (3) in respect of those housing projects for the fiscal year.

(5) For the purposes of this section, a housing provider’s accumulated surplus in respect of a service area at the beginning of a fiscal year is the portion of its retained earnings at the end of the previous fiscal year, as set out in its annual report under section 113 of the Act and determined in accordance with generally accepted accounting principles as they apply to social housing, that can reasonably be considered to be derived from its housing projects in the service area.

Change in economic conditions — Rent-geared-to-income units

33.11 (1) For a fiscal year commencing on or after January 1, 2008, sections 33.12 to 33.14 apply to a housing provider listed in Column 2 of Table 3 in respect of its housing projects located in the service area of the service manager listed in Column 1 of the Table opposite the housing provider, if the Minister is satisfied that substantially all of the units in the housing projects are rent-geared-to-income units.

(2) The requirements set out in sections 33.12 to 33.14 are prescribed under section 110 of the Act as requirements altering the formula for calculating the subsidy payable to a housing provider in respect of its housing projects described in subsection (1).

(3) All amounts that are not whole numbers that are used in calculations under sections 33.12 to 33.14 or that result from calculations under those sections must be rounded to two decimal places, unless otherwise indicated.

Total subsidy

33.12 (1) For the purpose of calculating the amount of a housing provider’s total subsidy for a fiscal year in respect of its housing projects in the service area, the definition of “A” in the formula set out in subsection 106 (2) of the Act is not the definition in that subsection but is as follows:

“A” is the amount of the provider’s indexed benchmark operating costs for the fiscal year in respect of its housing projects in the service area;

(2) For the purpose of calculating the amount of a housing provider’s total subsidy for a fiscal year in respect of its housing projects in the service area, the definition of “C” in the formula set out in subsection 106 (2) of the Act is not the definition in that subsection but is as follows:

“C” is the total amount of principal and interest payable by the provider for the fiscal year, where such payments are,

- (a) payable under mortgages guaranteed by the Province of Ontario or the Ontario Mortgage and Housing Corporation in respect of those projects, and
- (b) applicable to the portions of those housing projects that,
 - (i) are used for residential accommodation and ancillary functions, including meeting rooms, recreational facilities, laundry facilities, parking areas and exterior grounds, and
 - (ii) have been approved by the service manager as being part of the shelter component of its housing projects.

Indexed benchmark operating costs

33.13 (1) The amount of a housing provider’s indexed benchmark operating costs for a fiscal year in respect of its housing projects in the service area is the amount determined by,

- (a) calculating the indexed benchmark operating cost for the fiscal year for each item listed in Column 1 of the Table to this subsection by,
 - (i) expressing as a decimal number the operating cost index for the item for the fiscal year, as determined by the Minister in accordance with subsection (2),
 - (ii) adding one to the number determined under subclause (i), and
 - (iii) multiplying the indexed benchmark operating cost for the item for the previous fiscal year by the number determined under subclause (ii); and
- (b) calculating the sum of the indexed benchmark operating costs determined under clause (a) for all the items.

Surplus

33.14 (1) For the purpose of the definition of "E" in the formula set out in subsection 106 (2) of the Act, the amount, if any, of the housing provider's surplus for a fiscal year in respect of its housing projects in the service area is not the amount determined under subsection 106 (4) of the Act, but is the amount determined using the formula,

$$F - (G + H)$$

in which,

"F" is the amount of the provider's indexed benchmark operating costs for the fiscal year in respect of those housing projects, as determined under section 33.13,

"G" is the amount of the provider's actual operating costs for the fiscal year in respect of those housing projects, as determined by the housing provider in the manner set out in section 30, and

- If the amount determined in respect of the housing provider for the fiscal year under subsection (3) is nil or a negative amount, the housing provider's operating reserve for the fiscal year in respect of those housing projects is,

$$I - J$$

in which,

"I" is the product of \$300 multiplied by the average number of the housing provider's units in the service area in the fiscal year, and

"J" is the housing provider's accumulated surplus for its housing projects in the service area at the beginning of the fiscal year.

- If neither paragraph 1 nor 2 applies for the fiscal year, the housing provider's operating reserve for the fiscal year in respect of those projects is,

$$M - N$$

in which,

“M” is the housing provider’s indexed operating costs for the fiscal year from those housing projects, and

“N” is the amount of the housing provider’s operating costs for the fiscal year for those housing projects.

(3) For the purposes of paragraph 2 of subsection (2), the amount determined under this subsection is the amount determined using the formula:

$$I - [J + (M - N)]$$

in which,

“I” and “J” are the amounts that would be determined under paragraph 2 of subsection (2) in respect of those housing projects for the fiscal year, and

“M” and “N” are the amounts that would be determined under paragraph 3 of subsection (2) in respect of those housing projects for the fiscal year.

(4) For the purposes of this section, a housing provider’s accumulated surplus in respect of a service area at the beginning of a fiscal year is the portion of its retained earnings at the end of the previous fiscal year, as set out in its annual report under section 113 of the Act and determined in accordance with generally accepted accounting principles as they apply to social housing, that can reasonably be considered to be derived from its housing projects in the service area.

- a) le taux légal publié en application du paragraphe 120 (3) de la *Loi de 2006 sur la location à usage d'habitation*;
- b) le taux de variation, calculé conformément au paragraphe (2), du loyer moyen des logements locatifs.

(2) Pour l'application de l'alinéa (1) b), le taux de variation du loyer moyen des logements locatifs est calculé selon la formule suivante et arrondi à la première décimale :

$$(R/S - 1) \times 100$$

où :

- «R» représente le nombre indiqué dans l'édition d'octobre la plus récente du Rapport sur le marché locatif, publié par la Société canadienne d'hypothèques et de logement, comme le loyer moyen de «Tous les logements» pour un «appartement d'initiative privée» ou une «maison en rangée d'initiative privée», selon le cas, et pour le centre d'une région métropolitaine de recensement, le centre d'une agglomération de recensement ou une zone, selon le cas;
- «S» représente le nombre indiqué dans le rapport publié l'année précédant celui visé dans «R» qui correspond au nombre déterminé en «R».

(3) Si le Rapport sur le marché locatif ne fournit pas les données nécessaires au calcul de «R» ou de «S», alors «R» ou «S», selon le cas, est égal au nombre indiqué dans ce rapport comme le loyer moyen de «Tous les logements» pour le centre d'une région métropolitaine de recensement ou d'une agglomération de recensement, selon le cas, ou pour l'Ontario, si ces données ne sont pas connues.

(4) Malgré le paragraphe (1), le ministre peut, après avoir consulté le gestionnaire de services de l'aire de service, rajuster le taux de variation calculé en application de l'alinéa (1) b) pour un ensemble domiciliaire, le centre d'une région métropolitaine de recensement, le centre d'une agglomération de recensement ou une zone.

Subside pour loyer indexé sur le revenu

33.8 Pour l'application de l'alinéa a) de la définition de «F» dans la formule utilisée pour le calcul du subsidy pour loyer indexé sur le revenu payable à un fournisseur de logements, énoncée au paragraphe 103 (6) de la Loi, le total des loyers du marché indexés du fournisseur pour un exercice donné à l'égard des logements à loyer indexé sur le revenu de ses ensembles domiciliaires situés dans l'aire de service ne correspond pas au montant calculé selon les règles énoncées au paragraphe 103 (7) de la Loi, mais à celui calculé selon les règles suivantes :

1. Pour le premier exercice pour lequel le fournisseur reçoit un subside en application de la Loi, le total de ses loyers du marché indexés représente le total de ses loyers du marché de référence pour ces logements, calculé par le ministre en application de l'article 104 de la Loi.
2. Pour chaque exercice subséquent, le total des loyers du marché indexés du fournisseur correspond au montant calculé de la manière suivante :
 - i. exprimer sous forme de nombre décimal l'indice des loyers du marché applicable pour l'exercice aux ensembles domiciliaires du fournisseur situés dans l'aire de service, calculé en application du paragraphe 33.7 (1),
 - ii. ajouter 1 au nombre calculé en application de la sous-disposition i,
 - iii. multiplier le nombre calculé en application de la sous-disposition ii par le total des loyers du marché indexés du fournisseur pour l'exercice précédent.

Versement obligatoire

33.9 Pour l'application de la définition de «D» dans la formule énoncée au paragraphe 103 (2) de la Loi, le versement obligatoire du fournisseur de logements pour l'exercice à l'égard de ses ensembles domiciliaires situés dans l'aire de service ne correspond pas au montant calculé en application du paragraphe 103 (8) de la Loi, mais à zéro.

Excédent

33.10 (1) Pour l'application de la définition de «E» dans la formule énoncée au paragraphe 103 (2) de la Loi, l'excédent éventuel du fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service ne correspond pas au montant calculé en application du paragraphe 103 (10) de la Loi, mais à celui calculé selon la formule suivante :

$$L - M$$

où :

«L» représente le bénéfice d'exploitation du fournisseur pour l'exercice, tel qu'il figure dans le rapport annuel de cet exercice exigé par le paragraphe 113 (1) de la Loi;

«M» représente le montant de la réserve d'exploitation du fournisseur.

(2) Pour l'application de la définition de «L» au paragraphe (1), le bénéfice d'exploitation du fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service représente l'excédent de ses revenus pour l'exercice à l'égard de ces ensembles, calculés de la manière énoncée à l'article 30, sur ses frais d'exploitation pour l'exercice à l'égard de ces ensembles, calculés de la manière énoncée au même article.

(3) Pour l'application de la définition de «M» au paragraphe (1), le montant de la réserve d'exploitation du fournisseur de logements, le cas échéant, à l'égard de ses ensembles domiciliaires situés dans l'aire de service pour un exercice qui se termine après la date de transfert se calcule conformément aux règles suivantes :

1. Si l'excédent accumulé du fournisseur de logements à l'égard de l'aire de service au début de l'exercice ou au début d'un exercice antérieur qui se termine après la date de transfert, tel qu'il figure dans le rapport annuel exigé par l'article 113 de la Loi, est égal ou supérieur au produit de 300 \$ par le nombre de ses logements qui se trouvent dans des ensembles domiciliaires situés dans l'aire de service au début de cet exercice, sa réserve d'exploitation pour l'exercice est de zéro.
2. Si le montant calculé à l'égard du fournisseur de logements pour l'exercice en application du paragraphe (4) est zéro ou un montant négatif, sa réserve d'exploitation pour l'exercice à l'égard de ces ensembles domiciliaires est calculée selon la formule suivante :

$$N - P$$

où :

«N» représente le produit de 300 \$ par le nombre moyen de logements du fournisseur de logements situés dans l'aire de service pendant l'exercice;

«P» représente l'excédent accumulé du fournisseur de logements pour ses ensembles domiciliaires situés dans l'aire de service au début de l'exercice.

3. Si ni la disposition 1 ni la disposition 2 ne s'applique pour l'exercice, la réserve d'exploitation du fournisseur de logements pour l'exercice à l'égard de ces ensembles domiciliaires représente son bénéfice d'exploitation pour l'exercice à l'égard de ces ensembles.

(4) Pour l'application de la disposition 2 du paragraphe (3), le montant calculé en application du présent paragraphe est celui calculé selon la formule suivante :

$$N - (P + Q)$$

où :

«N» et «P» ont le même sens que dans la formule énoncée à la disposition 2 du paragraphe (3);

«Q» représente le montant qui serait calculé en application de la disposition 3 du paragraphe (3) à l'égard de ces ensembles domiciliaires pour l'exercice.

(5) Pour l'application du présent article, l'excédent accumulé du fournisseur de logements à l'égard de l'aire de service au début d'un exercice donné est la part de ses bénéfices non répartis à la fin de l'exercice précédent qui figurent dans le rapport annuel exigé par l'article 113 de la Loi, calculés conformément aux principes comptables généralement reconnus tels qu'ils s'appliquent au logement social, qui peut raisonnablement être considérée comme provenant de ses ensembles domiciliaires situés dans l'aire de service.

Changement dans les conditions économiques — logements à loyer indexé sur le revenu

33.11 (1) Les articles 33.12 à 33.14 s'appliquent, pour un exercice qui commence le 1^{er} janvier 2008 ou après cette date, au fournisseur de logements indiqué à la colonne 2 du tableau 3 à l'égard de ses ensembles domiciliaires situés dans l'aire de service du gestionnaire de services indiqué à la colonne 1 du tableau en regard du fournisseur si le ministre est convaincu que la quasi-totalité des logements de ces ensembles sont des logements à loyer indexé sur le revenu.

(2) Les exigences énoncées aux articles 33.12 à 33.14 sont prescrites en vertu de l'article 110 de la Loi comme exigences qui modifient la formule utilisée pour le calcul du subside payable au fournisseur de logements à l'égard de ses ensembles domiciliaires visés au paragraphe (1).

(3) Sauf indication contraire, tous les chiffres utilisés dans les calculs visés aux articles 33.12 à 33.14 ou qui en résultent et qui ne sont pas des nombres entiers sont arrondis au centième le plus près.

Subside total

33.12 (1) Aux fins du calcul du subside total payable au fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service, la définition de «A» dans la formule énoncée au paragraphe 106 (2) de la Loi est remplacée par la définition suivante :

«A» représente les frais d'exploitation de référence indexés du fournisseur pour l'exercice à l'égard de ses ensembles domiciliaires situés dans l'aire de service;

(2) Aux fins du calcul du subside total payable au fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service, la définition de «C» dans la formule énoncée au paragraphe 106 (2) de la Loi est remplacée par la définition suivante :

«C» représente le montant total de capital et d'intérêts que le fournisseur doit payer pour l'exercice et qui :

- a) d'une part, est payable aux termes d'hypothèques garanties par la Province de l'Ontario ou la Société ontarienne d'hypothèques et de logement à l'égard de ces ensembles;
- b) d'autre part, est applicable aux parties de ces ensembles qui réunissent les conditions suivantes :
 - (i) elles sont réservées aux locaux d'habitation et aux fins accessoires, y compris aux salles de réunion, aux installations récréatives, aux installations de buanderie, aux parcs de stationnement et aux aménagements extérieurs,
 - (ii) elles ont été approuvées par le gestionnaire de services comme relevant de l'habitation dans le cadre de ses ensembles domiciliaires.

Frais d'exploitation de référence indexés

33.13 (1) Les frais d'exploitation de référence indexés du fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service sont calculés de la manière suivante :

- a) calculer les frais d'exploitation de référence indexés pour l'exercice, pour chaque composante indiquée à la colonne 1 du tableau du présent paragraphe, de la manière suivante :
 - (i) exprimer sous forme de nombre décimal l'indice des frais d'exploitation applicable à la composante pour l'exercice, calculé par le ministre conformément au paragraphe (2),
 - (ii) ajouter 1 au nombre calculé en application du sous-alinéa (i),
 - (iii) multiplier les frais d'exploitation de référence indexés pour la composante pour l'exercice précédent par le nombre calculé en application du sous-alinéa (ii);
- b) calculer la somme des frais d'exploitation de référence indexés, calculés en application de l'alinéa a), pour l'ensemble des composantes.

Excédent

33.14 (1) Pour l'application de la définition de «E» dans la formule énoncée au paragraphe 106 (2) de la Loi, l'excédent éventuel du fournisseur de logements pour un exercice donné à l'égard de ses ensembles domiciliaires situés dans l'aire de service ne correspond pas au montant calculé en application du paragraphe 106 (4) de la Loi, mais à celui calculé selon la formule suivante :

$$F - (G + H)$$

où :

- «F» représente les frais d'exploitation de référence indexés du fournisseur pour l'exercice à l'égard de ces ensembles domiciliaires, calculés en application de l'article 33.13;

- Si l'excédent accumulé du fournisseur de logements à l'égard de l'aire de service au début de l'exercice ou au début d'un exercice antérieur qui se termine après la date de transfert, tel qu'il figure dans le rapport annuel exigé par l'article 113 de la Loi, est égal ou supérieur au produit de 300 \$ par le nombre de ses logements qui se trouvent dans des ensembles domiciliaires situés dans l'aire de service au début de cet exercice, sa réserve d'exploitation pour l'exercice est de zéro.
- Si le montant calculé à l'égard du fournisseur de logements pour l'exercice en application du paragraphe (3) est zéro ou un montant négatif, sa réserve d'exploitation pour l'exercice à l'égard de ces ensembles domiciliaires correspond au montant calculé selon la formule suivante :

$$I - J$$

où :

«I» représente le produit de 300 \$ par le nombre moyen de logements du fournisseur de logements situés dans l'aire de service pendant l'exercice;

«J» représente l'excédent accumulé du fournisseur de logements pour ses ensembles domiciliaires situés dans l'aire de service au début de l'exercice.

3. Si ni la disposition 1 ni la disposition 2 ne s'applique pour l'exercice, la réserve d'exploitation du fournisseur de logements pour l'exercice à l'égard de ces ensembles correspond au montant calculé selon la formule suivante :

$$M - N$$

où :

«M» représente les frais d'exploitation indexés du fournisseur de logements pour l'exercice à l'égard de ces ensembles domiciliaires;

«N» représente les frais d'exploitation du fournisseur de logements pour l'exercice à l'égard de ces ensembles domiciliaires.

(3) Pour l'application de la disposition 2 du paragraphe (2), le montant calculé en application du présent paragraphe est celui calculé selon la formule suivante :

$$I - [J + (M - N)]$$

où :

«I» et «J» représentent les montants qui seraient calculés en application de la disposition 2 du paragraphe (2) à l'égard de ces ensembles domiciliaires pour l'exercice;

«M» et «N» représentent les montants qui seraient calculés en application de la disposition 3 du paragraphe (2) à l'égard de ces ensembles domiciliaires pour l'exercice.

(4) Pour l'application du présent article, l'excédent accumulé du fournisseur de logements à l'égard de l'aire de service au début d'un exercice donné est la part de ses bénéfices non répartis à la fin de l'exercice précédent qui figurent dans le rapport annuel exigé par l'article 113 de la Loi, calculés conformément aux principes comptables généralement reconnus tels qu'ils s'appliquent au logement social, qui peut raisonnablement être considérée comme provenant de ses ensembles domiciliaires situés dans l'aire de service.

On October 1, 2007, OSC Rule 24-501 *Designation as Market Participant* (Rule) came into force as a rule under the *Securities Act* (Ontario) (Act).

The Rule is ancillary to National Instrument 24-101 – *Institutional Trade Matching and Settlement*, developed by the Canadian Securities Administrators, which came into force in Ontario on April 1, 2007. The Rule designates matching service utilities as market participants under the Act. As a result, certain provisions of the Act that apply to market participants generally will also apply to matching service utilities, including the books and records requirements of s. 19, the ability of Commission staff to perform compliance reviews under section 20, and the Commission's power to make a public interest order under clause 4 of subsection 127(1) of the Act.

The full text of the Instrument is available in the Ontario Securities Commission's Bulletin at (2007) 30 OSCB 7907 and on the Commission web site at http://www.osc.gov.on.ca/index_cn.jsp.

Each Section of the Policy should be read subject to the provisions in Sections 7 and 8.

2.1 Who is covered

For the purposes of Section 2, insured persons are defined in the Statutory Accident Benefits Schedule and an insured automobile for this purpose includes an owned, a non-owned, and a customer's automobile as defined in this Policy.

In addition, insured persons also include any person who is injured or killed in an automobile accident involving an owned, non-owned or customer's automobile as defined in this Policy, and is not the named Insured, or the spouse or dependant of a named Insured, under any other motor vehicle liability policy, and is not covered under the policy of an automobile in which they were an occupant or which struck them.

2.2 Types and Benefits

The details of the Accident Benefits Coverage are set out in the Statutory Accident Benefits Schedule of the Insurance Act. This Section outlines the benefits that an insured person may be entitled to receive if injured or killed in an automobile accident. If there is a difference between the interpretation of the wording in this Section and the interpretation of the wording in the Statutory Accident Benefits Schedule, the Statutory Accident Benefits Schedule prevails.

The insurance company is obligated to inform insured persons about the benefits available.

The benefits in the Statutory Accident Benefits Schedule are:

Income Replacement Benefit

This benefit may compensate an insured person for lost income.

Caregiver Benefit

This benefit may provide compensation for some expenses incurred when an insured person cannot continue as the main caregiver for a member of the household who is in need of care.

Non-Earner Benefit

This benefit may provide compensation if an insured person is completely unable to carry on a normal life and does not qualify for an Income Replacement Benefit or Caregiver Benefit.

Medical Benefit

This benefit may pay for some medical expenses incurred when an insured person is injured. These are expenses that are not covered by any other medical coverage plan.

Rehabilitation Benefit

This benefit may pay for some rehabilitation expenses incurred when an insured person is injured. These are expenses that are not covered by any other plan.

Attendant Care Benefit

This benefit may compensate an insured person for some of the expense of an aide or attendant.

Compensation for Other Expenses

This benefit may pay for some other expenses such as the cost of visiting an insured person during treatment or recovery. It may also pay for some housekeeping and home maintenance, the repair or replacement of some items lost or damaged in the accident, and some lost educational expenses.

Death Benefit

This benefit may pay money to some members of the family of an insured person who is killed.

Funeral Expenses

This benefit may pay for some funeral expenses.

Optional Benefits

One or more optional benefits may be purchased to increase the basic levels of benefits provided in this Section. The optional benefits are:

Increased Income Replacement; Increased Caregiver and Dependant Care; Increased Medical, Rehabilitation and Attendant Care; Increased Death and Funeral. An optional Indexation Benefit may be purchased, which provides for certain weekly benefit payments and monetary limits to increase on an annual basis to reflect changes in the cost of living.

2.3 How to Apply for Benefits

2.3.1 Applying for Benefits - Procedures and Time Limits

Anyone applying for Accident Benefits must advise the Insurer within 7 days of the accident. The Insurer will send an application for Accident Benefits to each applicant.

The person applying for the benefits must send to the Insurer the completed application within 30 days of receiving it.

An insured person may still be entitled to benefits if these time limits are not met for good reason, but payment of the benefits may be delayed.

The Insurer must pay the Income Replacement Benefit, Non-Earner Benefit or Caregiver Benefit within 14 days of receiving the completed application.

The Insurer must pay the Death Benefit, Funeral Benefit and Compensation for Other Expenses within 30 days of receiving the completed application.

Unless the Insurer asks for an Assessment of Attendant Care Needs form within 14 days of receiving a complete application, the Insurer must pay the Attendant Care Benefit within 30 days.

If an insured person is claiming the Medical Benefit or Rehabilitation Benefit, the insured person's doctor or other member of a health profession must provide the Insurer with a treatment plan or other related forms.

In some cases, the Insurer can ask an insured person to go for an independent assessment to assess the Medical, Rehabilitation or Attendant Care Benefit needs.

The Insurer may ask an insured person to provide additional information in connection with the claim, such as a statutory declaration as to the circumstances that gave rise to the application, or proof of identity. The Insurer may also ask an insured person to attend an examination under oath in connection with entitlement to benefits, on reasonable advance notice and at a time and place that are convenient to the person. If the person does not participate as requested, benefits may be delayed or suspended. If the injuries fall within certain guidelines issued by the Superintendent of Financial Services, an insured person may be entitled to some medical or rehabilitation treatments without the Insurer's prior approval and before a completed application is submitted.

2.3.2 Choosing Which Benefit to Receive

If an insured person qualifies for more than one weekly benefit, the Insurer will notify the person, who must choose which benefit he/she will receive. The insured person may choose between the Income Replacement, Non-Earner or Caregiver Benefits. An insured person will have 30 days to make a choice.

2.4 Limitations on the Coverage

An insured person is not entitled to the Income Replacement Benefit, Non-Earner Benefit or Compensation for Other Expenses if the person:

- (4) Every action or proceeding against the Insurer under this contract in respect of loss or damage to the automobile or its contents shall be commenced within one year next after the happening of the loss and not afterwards, and in respect of loss or damage to persons or other property shall be commenced within two years next after the cause of action arose and not afterwards.

Who May Give Notice and Proofs of Claim

10. Notice of claim may be given and proofs of claim may be made by the agent of the Insured in case of absence or inability of the Insured to give the notice or make the proof, such absence or inability being satisfactorily accounted for or, in the like case or if the Insured refuses to do so, by a person to whom any part of the insurance money is payable.

Termination

11. (1) Subject to section 12 of the Compulsory Automobile Insurance Act and sections 237 and 238 of the Insurance Act, the Insurer may, by registered mail or personal delivery, give to the Insured a notice of termination of the contract.
- (1.1) If the Insurer gives a notice of termination under subcondition (1) for a reason other than non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract or if the Insurer gives a notice of termination in accordance with subcondition (1.7), the notice of termination shall terminate the contract no earlier than,

- (a) the 15th day after the Insurer gives the notice, if the Insurer gives the notice by registered mail; or
- (b) the fifth day after the Insurer gives the notice, if the Insurer gives the notice by personal delivery.

- (1.2) Subject to subcondition (1.7), if the Insurer gives a notice of termination under subcondition (1) for the reason of non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract, the notice of termination shall comply with subcondition (1.3) and shall specify a day for the termination of the contract that is no earlier than,

- (a) the 30th day after the Insurer gives the notice, if the Insurer gives the notice by registered mail; or
- (b) the 10th day after the Insurer gives the notice, if the Insurer gives the notice by personal delivery.

- (1.3) A notice of termination mentioned in subcondition (1.2) shall,

- (a) state the amount due under the contract as at the date of the notice; and
- (b) state that the contract will terminate at 12:01 a.m. of the day specified for termination unless the full amount mentioned in clause(a), together with an administration fee not exceeding the amount approved under Part XV of the Act, payable in cash or by money order or certified cheque payable to the order of the Insurer or as the notice otherwise directs, is delivered to the address in Ontario that the notice specifies, not later than 12:00 noon on the business day before the day specified for termination.

- (1.4) For the purposes of clause (a) of subcondition (1.3), if the Insured and the Insurer have previously agreed, in accordance with the regulations, that the Insured is permitted to pay the premium under the contract in instalments, the amount due under the contract as at the date of the notice shall not exceed the amount of the instalments due but unpaid as at the date of the notice.

- (1.5) If the full amount payable under clause (b) of subcondition (1.3) is not paid by the time and in the manner that the notice specifies, the contract shall be deemed to be terminated, without any further action being required on the part of the Insurer, as of 12:01 a.m. of the day specified for termination.

- (1.6) If the full amount payable under clause (b) of subcondition (1.3) is paid by the time and in the manner that the notice specifies, the contract shall not terminate on the day specified for termination and the notice shall have no further force or effect.

- (1.7) If, on two previous occasions in respect of the contract, the Insurer has given a notice of termination mentioned in subcondition (1.2) and the full amount payable under clause (b) of subcondition (1.3) has been paid by the time and in the manner that the notice specifies and if a non-payment again occurs of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract, the Insurer may, by registered mail or personal delivery, give to the Insured a notice of termination of the contract and subcondition (1.1) applies to the notice, instead of subcondition (1.2).

- (2) This contract may be terminated by the Insured at any time on request.

- (3) Where this contract is terminated by the Insurer,
- (a) the Insurer shall refund the excess of premium actually paid by the Insured over the proportionate premium for the expired time, but in no event shall the proportionate premium for the expired time be deemed to be less than any minimum retained premium specified;
 - (b) if the termination is for a reason other than non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract or if the Insurer gives a notice of termination in accordance with subcondition (1.7), the refund shall accompany the notice, unless the premium is subject to adjustment or determination as to the amount, in which case, the refund shall be made as soon as practicable; and
 - (c) if the termination is for the reason of non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract and if subcondition (1.7) does not apply to the termination, the refund shall be made as soon as practicable after the effective date of the termination.
- (4) Where this contract is terminated by the Insured, the Insurer shall refund as soon as practicable the excess of premium actually paid by the Insured over the short rate premium for the expired time, but in no event shall the short rate premium for the expired time be deemed to be less than any minimum retained premium specified.
- (5) For the purpose of clause (a) of subconditions (1.1) and (1.2), the day on which the Insurer gives the notice by registered mail shall be deemed to be the day after the day of mailing.

Veillez noter que les dispositions générales, définitions, exclusions et conditions légales de la présente police figurant aux parties 7 et 8 s'appliquent à toutes les parties de la police, sauf indication contraire. Chaque partie de la police doit être interprétée sous réserve de ces dispositions.

2.1 Personnes assurées

Aux fins de la partie 2, les personnes assurées sont définies dans l'*Annexe sur les indemnités d'accident légales* et une automobile assurée à cette fin comprend les automobiles qui appartiennent à la personne assurée ainsi que celles qui ne lui appartiennent pas et les automobiles des clients, conformément aux définitions de la présente police. En outre, l'assurance couvre toute personne qui est blessée ou tuée dans un accident qui met en cause l'automobile d'un client ou une automobile appartenant ou non à la personne assurée, conformément aux définitions de la présente police, et qui n'est pas la personne assurée désignée, son conjoint ou une personne à charge aux termes d'une autre police d'assurance de responsabilité automobile et qui n'est pas couverte aux termes de la police couvrant l'automobile dans laquelle elle prenait place ou qui l'a heurtée.

2.2 Types de garanties

Les indemnités d'accident légales sont décrites en détail dans l'*Annexe sur les indemnités d'accident légales* de la Loi sur les assurances. La présente partie décrit les indemnités auxquelles a droit la personne assurée si elle est blessée ou tuée dans un accident d'automobile. Advenant des divergences entre le libellé de la présente partie et celui de l'Annexe, c'est l'interprétation de cette dernière qui l'emporte.

L'assureur est tenu d'informer les personnes assurées des garanties offertes.

L'Annexe sur les indemnités d'accident légales comprend les garanties suivantes :

Indemnité de remplacement

Cette garantie prévoit le paiement de prestations si la personne assurée est incapable de gagner un revenu.

Indemnité de soignant

Cette garantie prévoit le remboursement de certains frais lorsque la personne assurée ne peut pas continuer de prendre soin à plein temps d'une personne à charge.

Indemnité de personne sans

Indemnité pour frais médicaux

Cette garantie peut rembourser certains frais médicaux si la personne assurée est blessée, à condition que ces frais ne soient pas couverts par une autre assurance.

Prestations pour frais de réadaptation

Cette garantie peut rembourser certains frais de réadaptation si la personne assurée est blessée, à condition que ces frais ne soient pas couverts par une autre assurance.

Indemnité de soins auxiliaires

Indemnisation d'autres frais

Cette garantie prévoit le remboursement d'autres frais, comme ceux des personnes qui rendent visite à la personne assurée pendant qu'elle reçoit des soins ou qu'elle est en convalescence. Cette garantie prévoit le paiement de prestations aux membres de la famille en cas du décès de la personne assurée.

Indemnité pour frais funéraires

Cette garantie peut rembourser certains frais funéraires.

Indemnités optionnelles

Il est possible de souscrire une ou plusieurs Indemnités optionnelles afin d'accroître les garanties de base prévues dans la présente section. Ces Indemnités optionnelles sont les suivantes :

prestations majorées de remplacement du revenu; prestations majorées de soins et de soins aux personnes à charge; prestations majorées pour frais médicaux, pour frais de réadaptation et pour soins auxiliaires; prestations majorées de décès et de frais funéraires. La personne assurée peut aussi souscrire une garantie d'indexation qui augmente chaque année certaines indemnités hebdomadaires et limites monétaires en fonction de l'augmentation du coût de la vie.

2.3 Présentation d'une demande d'indemnités

2.3.1 Demande d'indemnités – Modalités et délais

En cas d'accident, toute personne demandant des indemnités doit en informer l'assureur dans les sept jours suivant l'accident, et l'assureur fera parvenir à chacune de ces personnes une formule de demande d'indemnités d'accident. La personne demandant des indemnités doit faire parvenir à l'assureur la formule de demande dûment remplie dans les 30 jours suivant sa réception. La personne assurée peut être admissible aux indemnités même si elle ne respecte pas ces délais, à condition de fournir un motif valable, mais le versement de ces indemnités peut être retardé. L'assureur doit verser l'indemnité de remplacement du revenu, l'indemnité de personne sans revenu d'emploi ou l'indemnité de soignant dans les 14 jours suivant la réception de la demande dûment remplie. L'assureur doit verser la prestation de décès, l'indemnité pour frais funéraires, et les indemnités pour autres frais dans les 30 jours suivant la réception de la demande dûment remplie. À moins qu'il ne demande la formule Évaluation des besoins en soins auxiliaires dans les 14 jours suivant la réception de la demande dûment remplie, l'assureur doit verser l'indemnité de soins auxiliaires dans les 30 jours. Si la personne assurée demande une indemnité pour frais médicaux ou une indemnité de réadaptation, son médecin ou un autre professionnel de la santé doit remettre à l'assureur un plan de traitement ou d'autres formules pertinentes. L'assureur peut, dans certains cas, demander à la personne assurée de subir une évaluation indépendante pour vérifier ses besoins en matière d'indemnité pour frais médicaux, d'indemnité de réadaptation ou d'indemnité de soins auxiliaires. L'assureur peut demander à la personne assurée de fournir des renseignements supplémentaires relativement à la demande d'indemnités, tels qu'une déclaration solennelle portant sur les circonstances ayant mené à la demande ou encore une preuve d'identité. Moyennant un avis raisonnable, l'assureur peut aussi demander à la personne assurée de se soumettre à un interrogatoire sous serment relativement à son droit à des indemnités, à une date et un endroit qui conviennent à celle-ci. Si la personne ne prend pas part à l'interrogatoire, tel que

demandé, le versement des indemnités peut être retardé ou suspendu. Si les blessures de la personne assurée correspondent à certaines lignes directrices établies par le surintendant des services financiers, elle peut avoir droit à certains traitements médicaux ou de réadaptation sans avoir obtenu l'approbation préalable de l'assureur et avant d'avoir présenté une demande d'indemnités dûment remplie.

2.3.2 Choix des indemnités

Si la personne assurée est admissible à plusieurs indemnités hebdomadaires, l'assureur l'en informera et celle-ci aura 30 jours pour choisir parmi les prestations de remplacement du revenu, les Indemnités de personne sansou les Indemnités de soignant.

2.4 Restriction de la garantie

La personne assurée n'est pas admissible aux prestations de remplacement du revenu, aux Indemnités de personne sansou aux prestations pour autres frais si elle

Pour les pertes ou les dommages décrits à l'alinéa 5.1.1 (Collision ou versement), lorsque l'article 263 de la *Loi sur les assurances* (Indemnisation directe en cas de dommages matériels) s'applique, le montant de la franchise correspond au montant indiqué à la rubrique 5, alinéa 5.1.1 de la partie 5 du certificat d'assurance, multiplié par le pourcentage qui représente le degré de responsabilité de la personne assurée ou du conducteur dans cet accident établi selon les règles de détermination de la responsabilité prises en application de la *Loi sur les assurances*.

À défaut de quoi, la personne assurée devient coassureur pour un montant suffisant de façon que l'assurance globale égale à 80 p. 100 de la valeur réelle en espèces des automobiles au moment du sinistre, et doit assumer sa part de responsabilité en cas de sinistre.

PARTIE 8 CONDITIONS LÉGALES

Nota: La Loi sur les assurances stipule que ces conditions doivent être imprimées dans chaque police d'assurance-automobile de l'Ontario. Advenant une divergence entre ces conditions et le libellé du contrat, les présentes conditions l'emportent.

La définition qui suit s'applique aux présentes conditions légales, à moins que le contexte ne s'y oppose. «assuré» S'entend de la personne assurée par le présent contrat, qu'elle soit nommément désignée ou non.

Modification importante du risque

1. (1) L'assuré nommément désigné dans le présent contrat avise promptement par écrit l'assureur ou son agent local de toute modification importante des circonstances constitutives du risque dont il a connaissance.
- (2) La définition qui suit s'applique sans préjudice de la portée générale de ce qui précède.

«modification importante des circonstances constitutives du risque» S'entend en outre :

- a) d'un changement dans l'intérêt assurable qu'a l'assuré nommé au présent contrat dans l'automobile en raison d'une vente, d'une cession ou de toute autre façon, sauf dans le cas d'un transfert du droit de propriété par succession, par décès ou par des procédures prises en vertu de la *Loi sur la faillite* et l'insolvabilité (Canada), et, dans le cas d'une assurance contre la perte de l'automobile ou les dommages qui peuvent lui être causés :
- b) d'une hypothèque, d'un privilège ou d'une charge grevant l'automobile après la présentation de la proposition relative au présent contrat;
- c) de toute autre assurance du même intérêt, qu'elle soit valide ou non, couvrant les pertes ou dommages déjà couverts par le présent contrat, ou une partie de ceux-ci.

Erreur de classement

2. (1) Si un assuré a été incorrectement classé d'après le système de classement des risques qu'utilise l'assureur ou qu'il est tenu par la loi d'utiliser, l'assureur apporte la correction nécessaire.

Remboursement de l'excédent de prime

- (2) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition, l'assureur rembourse à l'assuré l'excédent de prime, ainsi que les intérêts applicables à la période pendant laquelle a duré l'erreur de classement au taux d'escompte en vigueur à la fin du premier jour du dernier mois du trimestre précédant le trimestre où l'erreur a été commise pour la première fois. Le taux d'escompte à fraction est arrondi au nombre entier supérieur.

Définition

- (3) La définition qui suit s'applique à la sous-ondition (2) de la présente condition. «taux d'escompte» S'entend du taux d'escompte que fixe la Banque du Canada comme le taux d'intérêt minimum qu'elle accorde aux banques figurant à l'Annexe 1 de la *Loi sur les banques* (Canada) sur les sommes d'argent à court terme qu'elle leur avance. Toutefois, cette exclusion ne s'applique pas dans le cas d'une automobile appartenant à la personne assurée et louée à une autre personne, lorsque la personne assurée a la garde, la surveillance ou la charge de l'automobile à des fins d'entretien ou de réparation, auquel cas, la présente police est une assurance au premier risque;

Surprime

- (4) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition dans les soixante jours qui suivent la prise d'effet du présent contrat, l'assureur peut exiger que l'assuré paie une surprime par suite de la correction apportée, sans intérêt.

Mensualités

3. Sauf prévision contraire dans les règlements pris en application de la Loi sur les assurances, l'assuré peut payer sa prime, sans encourir de pénalité, par mensualités égales qui, additionnées, donnent le montant total de la prime. L'assureur peut exiger des intérêts à un taux qui ne dépasse pas celui qui est indiqué dans les règlements.

Permission de conduire

4. (1) L'assuré ne doit ni conduire l'automobile ni en faire l'usage, ni autoriser une autre personne à la conduire ou en faire usage, à moins d'y être autorisé par la loi ou à moins que cette autre personne n'y soit autorisée par la loi.

Usage interdit

- (2) L'assuré ne doit pas utiliser ni autoriser que soit utilisée l'automobile dans une course ou une épreuve de vitesse ou à des fins de commerce ou de transport illicite ou interdit.

Obligations en cas de pertes ou de dommages

5. (1) L'assuré :
- a) donne à l'assureur un avis écrit, avec tous les renseignements à disponibles, de tout incident entraînant des pertes subies par une personne ou des dommages corporels ou la perte de biens ou des dommages causés à ceux-ci et de toute demande de règlement qui en découle;
 - b) à la demande de l'assureur, atteste, par déclaration solennelle, que la demande de règlement découle de l'usage ou de la conduite de l'automobile et indique si la personne qui conduisait ou était responsable de la conduite de l'automobile au moment de l'accident est ou non assurée par le présent contrat;
 - c) transmet immédiatement à l'assureur toute lettre, tout document ou avis, ou toute déclaration qu'il a reçus de l'auteur de la demande ou de sa part.
- (2) L'assuré ne doit :
- a) ni assumer volontairement une responsabilité ni régler un sinistre, sauf à ses propres frais;
 - b) ni s'immiscer dans des négociations de règlement ou dans une instance.
- (3) Chaque fois que l'assureur le lui demande, l'assuré apporte son aide à l'obtention de renseignements, de preuves, et à la comparution de témoins, et collabore avec l'assureur, sauf pécuniairement, à la défense dans toute action ou instance, ainsi qu'à la poursuite de tout appel.

Obligations en cas de la perte d'une automobile ou des dommages qui lui sont causés

6. (1) En cas de la perte d'une automobile ou de dommages qui lui sont causés et si la perte ou les dommages sont couverts par le présent contrat, l'assuré :
- a) en donne à l'assureur un avis écrit aussi circonstancié qu'il est alors possible;
 - b) protège, dans la mesure du possible et aux frais de l'assureur, l'automobile contre toute perte ou tout dommage supplémentaires;
 - c) remet à l'assureur, dans les quatre-vingt-dix jours qui suivent la date de la perte ou du dommage, une déclaration solennelle énonçant, au mieux de ses connaissances, ce qu'il tient pour véridique de l'assuré, l'endroit, la date, la cause, et l'étendue du sinistre, l'intérêt de l'assuré et de toute autre personne dans l'automobile, les sûretés la grevant ainsi que toutes les autres assurances, valides ou non, couvrant l'automobile, et attestant que le sinistre n'est pas dû, directement ou indirectement, à un acte ou à la négligence délibérés de l'assuré.
- (2) La perte ou les dommages supplémentaires touchant l'automobile, imputables directement ou indirectement à une faute dans la protection requise par la sous-condition (1) de la présente condition, ne sont pas couverts par le présent contrat.

- (3) Les réparations, autres que celles qui sont immédiatement nécessaires pour protéger l'automobile contre une perte ou des dommages supplémentaires, ne doivent pas être entreprises et aucune preuve matérielle de la perte ou des dommages ne doit être enlevée :

- a) sans le consentement écrit de l'assureur;
- b) tant que l'assureur n'a pas eu un délai raisonnable pour procéder à l'inspection prévue par la condition légale 8.

Interrogatoire de l'assuré

- (4) L'assuré se soumet à un interrogatoire sous serment, et produit aux fins d'un examen, à l'endroit et à la date raisonnables désignés par l'assureur ou son représentant, tous les documents en sa possession ou sous son contrôle qui sont liés à l'affaire en question et permet que des extraits ou des copies soient tirés de ces documents.

L'assureur tenu à la valeur vénale du sinistre

- (5) La garantie de l'assureur se limite à la valeur réelle en espèces de l'automobile, calculée à la date du sinistre; le sinistre est déterminé ou estimé selon la valeur réelle en espèces, après avoir effectué une juste déduction pour la dépréciation, quelle qu'en soit la cause, et ne doit pas excéder le coût de la réparation ou du remplacement de l'automobile ou de toute pièce de celle-ci, à l'aide de matériaux de même nature et qualité. Dans le cas où une pièce de rechange est périmée ou ne peut être obtenue, l'assureur n'est alors tenu qu'à la valeur de cette pièce à la date du sinistre. Cette valeur ne doit pas être supérieure au plus récent prix courant du fabricant.

Réparation, reconstruction ou remplacement du bien sinistré

- (6) L'assureur peut réparer, reconstruire ou remplacer le bien sinistré au lieu d'effectuer le paiement visé à la condition légale 9 s'il donne un avis écrit de son intention dans les sept jours qui suivent la réception de la preuve du sinistre.

Délai de réparation

- (6.1) L'assureur effectue les travaux de réparation, de reconstruction ou de remplacement visés à la sous-condition (6) :
- a) dans un délai raisonnable après avoir donné l'avis exigé à la sous-condition (6), si la demande de règlement n'est pas suivie d'une estimation visée à la sous-condition (2.1) de la condition légale 9;
 - b) dans un délai raisonnable après avoir reçu la décision des estimateurs quant à la façon dont ils règlent les questions qui font l'objet d'un désaccord, si la demande de règlement est suivie d'une estimation visée à la sous-condition (2.1) de la condition légale 9.

Pièces neuves ou pièces de rechange

- (6.2) Pour l'application de la sous-condition (6), l'assureur peut réparer, reconstruire ou remplacer le bien au moyen de pièces neuves fournies par l'équipementier ou de pièces de même nature et qualité que le bien sinistré qui ne sont pas d'origine ou qui sont remises à neuf.

Délaissement interdit; sauvetage

- (7) L'automobile ne peut être abandonnée à l'assureur sans le consentement de ce dernier. Si l'assureur choisit de remplacer l'automobile ou d'en payer la valeur réelle en espèces, la valeur de sauvetage appartient à l'assureur.

Délai

7. L'avis prévu à la sous-condition (1) de la condition légale 5 et à la souscondition (1) de la condition légale 6 est donné à l'assureur dans les sept jours suivant l'incident ou, si l'assuré ne peut le faire, pour cause d'incapacité, le plus tôt possible par la suite.

Inspection de l'automobile

8. L'assuré permet à l'assureur d'inspecter l'automobile et ses accessoires en tout temps raisonnable.

Délai et mode de paiement des sommes assurées

9. (1) S'il n'a pas choisi de réparer, de reconstruire ou de remplacer le bien sinistré, l'assureur paie les sommes assurées auxquelles il est tenu aux termes du contrat :
- a) dans les 60 jours qui suivent la réception de la preuve du sinistre, si la demande de règlement n'est pas suivie d'une estimation visée à la sous-condition (2.1);
 - b) dans les 15 jours qui suivent la réception de la décision des estimateurs quant à la façon dont ils règlent les questions qui font l'objet d'un désaccord, si la demande de règlement est suivie d'une estimation visée à la sous-condition (2.1).

Motifs du refus

- (2) S'il refuse d'acquitter une demande de règlement, l'assureur informe promptement l'assuré par écrit des motifs pour lesquels il prétend ne pas être tenu de le faire.

Règlement d'un désaccord au moyen d'une estimation visée à l'art. 128 de la Loi

- (2.1) L'article 128 de la Loi s'applique au présent contrat si les conditions suivantes sont réunies :
- a) l'assureur a reçu de l'assuré une preuve du sinistre à l'égard de biens sinistrés;
 - b) l'assureur et l'assuré ne sont pas d'accord :
 - (i) soit sur la nature et l'étendue des travaux de réparation, de reconstruction et de remplacement nécessaires ou sur leur suffisance,
 - (ii) soit sur la somme payable à l'égard du sinistre;
 - c) l'assuré ou l'assureur demande par écrit qu'une estimation visée à l'article 128 de la Loi soit effectuée et l'autre accepte.

Conditions préalables à l'introduction d'une action

- (3) L'assuré ne doit pas intenter une action en recouvrement du montant d'une demande de règlement en vertu du présent contrat, à moins que les prescriptions des conditions légales 5 et 6 ne soient respectées.

Prescription des actions

- (4) Les actions et instances contre l'assureur fondées sur le présent contrat doivent être engagées au plus tard dans l'année qui suit la survenance du sinistre en ce qui concerne la perte de l'automobile ou les dommages qui lui sont causés et au plus tard dans les deux années qui suivent la date où la cause d'action a pris naissance en ce qui concerne les pertes subies par des personnes ou les dommages qui leur sont causés ou la perte d'autres biens ou les dommages qui leur sont causés.

Qui peut donner l'avis et les preuves du sinistre

10. L'avis du sinistre peut être donné et les preuves apportées par l'agent de l'assuré dans le présent contrat en cas d'absence ou d'empêchement de l'assuré de donner l'avis ou d'apporter la preuve, si cette absence ou cet empêchement est suffisamment justifié ou, dans un cas semblable ou en cas de refus de l'assuré, par une personne à laquelle une partie des sommes assurées est payable.

Franchises

- 10.1 (1) Malgré le présent contrat :

- a) l'assureur n'est tenu de payer que les sommes supérieures à la franchise applicable éventuelle qui y est énoncée;
- b) il est satisfait à sa clause qui traite de l'obligation de l'assureur de payer une somme ou de réparer, de reconstruire ou de remplacer des biens sinistrés par le paiement de la somme calculée en déduisant toute franchise applicable :
 - (i) soit de la somme que l'assuré aurait par ailleurs le droit de recouvrer,
 - (ii) soit du coût des travaux de réparation, de reconstruction ou de remplacement.

Somme réputée une franchise

- (2) Pour l'application de la sous-condition (1), la somme que l'assureur n'est pas tenu de payer en raison du paragraphe 261 (1) ou (1.1) ou 263 (5.1) ou (5.2.1) de la Loi sur les assurances est réputée une franchise dans le cadre du présent contrat.

Résiliation

11. (1) Sous réserve de l'article 12 de la Loi sur l'assurance-automobile obligatoire et des articles 237 et 238 de la Loi sur les assurances, l'assureur peut moyennant un avis envoyé par courrier recommandé ou remis en personne, remettre un avis de résiliation du contrat.
- (1.1) L'avis de résiliation que l'assureur donne en vertu de la souscondition (1) pour une raison autre que le non-paiement, en totalité ou en partie, de la prime exigible en vertu du contrat ou de frais découlant d'une entente accessoire au contrat ou celui qu'il donne conformément à la sous-condition (1.7) ne peut avoir pour effet de résilier le contrat avant :
- (a) le 15^e jour qui suit la remise de l'avis, si l'assureur l'envoie par courrier recommandé; ou
 - (b) le cinquième jour qui suit la remise de l'avis, si l'assureur le remet à personne.
- (1.2) Sous réserve de la sous-condition (1.7), l'avis de résiliation que l'assureur donne en vertu de la sous-condition (1) pour cause de non-paiement, en totalité ou en partie, de la prime exigible en vertu du contrat ou de frais découlant d'une entente accessoire au contrat est conforme à la sous-condition (1.3) et précise une date de résiliation du contrat qui ne peut être antérieure :
- (a) au 30^e jour qui suit la remise de l'avis, si l'assureur l'envoie par courrier recommandé; ou
 - (b) au 10^e jour qui suit la remise de l'avis, si l'assureur le remet à personne.

(1.3) L'avis de résiliation mentionné à la sous-condition (1.2) indique ce qui suit :

- (a) la somme exigible en vertu du contrat à la date de l'avis; et l'O.A.P. 4 (1er septembre 2005) page 41 de 43
- (b) le fait que le contrat sera résilié à minuit à la date de résiliation précisée, sauf si la somme intégrale qui est mentionnée à l'alinéa a) et des frais d'administration n'excédant pas le montant approuvé dans le cadre de la partie XV de la Loi, payables en espèces ou sous forme de mandat ou de chèque certifié payable à l'ordre de l'assureur ou conformément à l'avis, sont remis à l'adresse en Ontario précisée dans l'avis, au plus tard à midi le jour ouvrable précédant la date de résiliation précisée.

(1.4) Pour l'application de l'alinéa a) de la sous-condition (1.3), la somme exigible en vertu du contrat à la date de l'avis ne doit pas excéder le total des versements échelonnés qui sont exigibles mais non acquittés à cette date si l'assuré et l'assureur ont convenu au préalable, conformément aux règlements, de ce mode de paiement de la prime.

(1.5) Le contrat est réputé, sans autre action de la part de l'assureur, résilié à minuit et une minute à la date de résiliation précisée si la somme intégrale qui doit être acquittée aux termes de l'alinéa b) de la sous-condition (1.3) ne l'est pas dans le délai et de la façon qui sont précisés dans l'avis.

(1.6) Le contrat n'est pas résilié à la date de résiliation précisée et l'avis n'a plus aucun effet si la somme intégrale qui doit être acquittée aux termes de l'alinéa b) de la sous-condition (1.3) l'est dans le délai et de la façon qui sont précisés dans l'avis.

(1.7) S'il a déjà donné à deux reprises l'avis de résiliation du contrat mentionné à la sous-condition (1.2), que la somme intégrale qui doit être acquittée aux termes de l'alinéa b) de la sous-condition (1.3) l'a été dans le délai et de la façon précisés dans l'avis et que la totalité ou une partie de la prime exigible en vertu du contrat ou de frais découlant d'une entente accessoire au contrat est de nouveau impayée, l'assureur peut, par courrier recommandé ou par remise à personne, aviser l'assuré de la résiliation du contrat et la sous-condition (1.1), plutôt que la sous-condition (1.2), s'applique à l'avis.

(2) Le présent contrat peut être résilié par l'assuré, en tout temps, à sa demande.

(3) Lorsque le présent contrat est résilié par l'assureur:

- a) celui-ci rembourse l'excédent de la prime effectivement acquittée sur la prime calculée au prorata de la période écoulée, mais cette prime calculée au prorata ne doit en aucun cas être réputée inférieure à toute prime minimale spécifiée;
- b) si le contrat est résilié pour une raison autre que le non-paiement, en totalité ou en partie, de la prime qui est exigible en vertu du contrat ou de frais découlant d'une entente accessoire au contrat ou que l'assureur donne un avis de résiliation conformément à la sous-condition (1.7), le remboursement accompagne l'avis, sauf si le montant de la prime doit être rajusté ou fixé et, dans ce cas, le remboursement doit se faire le plus tôt possible;
- c) si le contrat est résilié pour cause de non-paiement, en totalité ou en partie, de la prime qui est exigible en vertu du contrat ou de frais découlant d'une entente accessoire au contrat et que la sous condition (1.7) ne s'applique pas à la résiliation, le remboursement doit se faire le plus tôt possible après la date d'effet de la résiliation.

(4) Lorsque le présent contrat est résilié par l'assuré, l'assureur rembourse le plus tôt possible l'excédent de la prime effectivement acquittée par l'assuré sur la prime au taux à court terme correspondant à la période écoulée, mais la prime au taux à court terme ne peut en aucun cas être réputée inférieure à toute prime minimale spécifiée

(5) Pour l'application de l'alinéa a) des sous-conditions (1.1) et (1.2), le jour où l'assureur donne l'avis de résiliation par courrier recommandé est réputé celui de sa mise à la poste.

(6) Les heures mentionnées dans la présente condition s'entendent de l'heure locale au lieu de résidence de l'assuré.

Avis

12. L'avis écrit destiné à l'assureur peut être remis ou expédié par courrier recommandé à l'agence principale ou au siège social de l'assureur dans la province. Les avis écrits destinés à l'assuré nommément désigné dans le présent contrat peuvent lui être remis à personne ou par courrier recommandé adressé à la dernière adresse postale donnée à l'assureur. La définition qui suit s'applique à la présente condition. «recommandé» Signifie recommandé au Canada ou à l'étranger.

Protection des indemnités d'accident légales

13. Même si elle ne se conforme pas aux présentes conditions légales, une personne a droit aux indemnités qui sont énoncées à l'*Annexe sur les indemnités d'accident légales*.

Notice Of Amendment To A Code Amendment To The Standard Supply Service Code Board File No.: Eb-2007-0032

Re: Code Amendment for the Smart Metering Initiative Transition Period

The Ontario Energy Board (the "Board") has today issued an amendment to the Standard Supply Service Code (the "SSS Code") under section 70.2 of the *Ontario Energy Board Act, 1998*.

Background

On June 27, 2007, the Board issued a Notice of Proposal (the "June Notice") in which it proposed to amend the SSS Code with respect to the manner in which licensed distributors give notice of their election to implement time-of-use ("TOU") pricing prior to the date on which TOU pricing becomes mandatory for all consumers in the Province that have an eligible time-of-use meter. Specifically, the proposed amendment requires that licensed distributors provide direct notice, either by means of a bill insert or by other direct means (such as a letter, other direct mailing or telephone).

This amendment was proposed at the same time that the Board adopted other amendments to the SSS Code, the Distribution System Code and the Retail Settlement Code relating to the implementation of the Province's smart metering initiative (the "SMI"), and in particular to the transition period during which smart meters are deployed and enrolled in the meter data management and meter data repository that is currently under development. The Notice of Proposal issued by the Board on May 14, 2007 contains more detailed background information regarding the SMI and transitional issues.

Amendment to the SSS Code as Adopted by the Board

The Board received four submissions on the proposed amendment. A number of interested parties commented on the broader issue of the need for a transition strategy and for coordinated consumer communications in order to facilitate the transition to TOU pricing. The Board notes that issues associated with implementation of the SMI are not wholly within the Board's sole authority or control. The Board will, however, take these concerns into account as it proceeds with the performance of its own SMI-related responsibilities.

None of the stakeholders opposed the proposed amendment. The Board has therefore adopted the amendment to the SSS Code as proposed in the June Notice. The text of the amendment to section 3.5.3 of the SSS Code as adopted by the Board is set out in Attachment A to this Notice.

Coming Into Force

As indicated in the June Notice, the amendment to the SSS Code will come into force on the date on which it is published on the Board's website.

This Notice, including the attached amendment to the SSS Code, is available for public viewing on the Board's website at www.oeb.gov.on.ca and at the office of the Board during normal business hours.

If you have any questions regarding the amendment to the SSS Code, please contact Laurie Reid at 416-440-7623. The Board's toll free number is 1-888-632-6273.

DATED at Toronto, September 17, 2007.
